Message from The President

Happy summer to all Sunburst Members!

We are entering the dog days of summer and what a summer it has been! So many fun activities this past July. We had the Crystal Lake Independence Day Parade with a great turnout! As always everyone loved seeing our line of Corvettes and of course the kids loved the candy!

We did something special this year due to the postponing of our traditional Holiday Party in 2021. We had our Christmas in July Adventure Tour and Mystery Dinner! What a beautiful day and a fun time for all who participated. A special thanks go out to Sue and Lee for putting this together. They had us driving through some beautiful roads in Northern Illinois and Southern Wisconsin and we ended up having a great dinner at our favorite Iguana Wana restaurant. Thank you also to Mike and Pat, Dave and Julie, and Mike and Dee for helping out at this event.

This month we have our Seat of our pants autocross event at McHenry County College on August 6th and 7th. If you ever wanted to test your driving skills and see what your Corvette can do, make sure you come out for a fun 2 days of driving. See Mike Moushey or Mike Stevens if you have any questions. You can come out and watch and even do a ride along if you like. We can always use some help if anyone can volunteer too.

On August 20th, we are celebrating our Sunburst Corvette Club's 45th anniversary with a summer picnic. There will be food and games including Bags and Pickle Ball! Make sure you sign up for this. You can even bring your favorite Appetizer, salad, or dessert to share with your fellow members.

As I've mentioned before, our Car Show is quickly approaching! If you would like to participate, please register and sign up on our website. The car show committee has been working hard to make this our best show ever! If you have not volunteered to help out with setup, working the show, or cleanup, please see the sign-up sheet at our August meeting or let Mike Stevens, Mike Rosendahl, or myself know you would like to help out! This is our major fundraising event of the year and all your efforts go to a great cause!

That is all for this month! Stay cool and get out in your Corvette as much as you can!

August 2022

Greeting Sunburst Members,

August marks the winding down of summer, but there is still plenty of time for Corvette fun. The Midwest Region of NCCC is just starting to hit its stride with the competition season. There have already been 5 weekends of autocrossing and numerous rallies and car shows.

August kicks off with Sunburst hosting a two day autocross weekend (August 6&7) at McHenry County College, in Crystal Lake. This is a great opportunity to support the Club in this fund-raising venture. We need volunteers to be corner workers and park cars. If you've never been to an autocross event you should come by and watch for a little while and maybe even be a passenger in one of the racing cars. I guarantee you it will be a hoot!

Autocross events in Davenport, Iowa, Madison, WI and Rantoul, IL will round out the busy competition schedule for the month. There are also a couple of NCCC Car shows in August, at West Allis, WI and New Lenox, IL. To get more details and registration information go to <https://www.mwregion.com/schedule.html>.

Earlier in the year the officers of NCCC emphasized the need to promote safety at the all of our events. It's been obvious that many have taken those words to heart. The autocross events have really been run with worker and driver safety in mind. Corner workers are receiving better training and their being positioned in safer location. This adds a bit more time to the events, but it's well worth it.

NCCC Governors will be meeting in September, in St. Louis. The agenda will include voting on some very important by-law changes. Pat and I intend on attending these meetings. Please let me know if you have any issues or concerns that you would like see addressed.

Mike Stevens, Governor

National Corvette Museum's Motorsports Park To Receive \$2.4 Million In Improvements

The National Corvette Museum announced plans for \$2.4 Million in improvements to the museum's Motorsports Park. In December of 2021, the NCM Motorsports Park was heavily damaged when an EF-3 tornado touched down in Bowling Green. The National Corvette Museum and its board of directors decided to leverage the unfortunate circumstances of the tornado to create opportunity. Instead of simply restoring the Motorsports Park to pre-tornado conditions, the National Corvette Museum is planning significant improvements to the park's facilities.

National Corvette Museum President and CEO Sharon Brawner said of the planned improvements, "The National Corvette Museum, along with our board of directors, looked at the extent of the damage to the Motorsports Park and decided to find the silver lining in a

really difficult circumstance. The improvements we have planned will take our already world-class racing facility to the next level, including much-needed indoor and outdoor event spaces, bar and restaurant offerings in our track observation areas, and upgraded garage facilities."

The NCM Motorsports Park, which is located on 185 acres of property adjacent to I-65 in Bowling Green, opened in 2014. Designed by legendary race track designer Steve Crawford, the road course was created with input from Corvette Racing, resulting in a multiple, reconfigurable track layout with features from Le Mans. According to Greg Waldron, Executive Director of the NCM Motorsports Park, the planned improvements will allow track participants, observers, and other guests to experience a level of facilities on par with the excellence of the track itself. With the addition of these new amenities and reimagined spaces, the Motorsports Park will be the

foremost racing and karting destination in the Southeast.

The NCM Motorsports Park will remain open during construction, and the project is currently slated for completion by early 2024. Visitors can currently enjoy C8 Corvette driving experiences, track rentals for personal vehicle driving and racing, and high-speed go-karts. The Motorsports Park also offers league racing and group karting in addition to corporate and private events. More information on the NCM Motorsports Park can be found at MotorsportsPark.org.

Upcoming Museum Events & Events On-Site at the Museum

The NCM posted events through October 2022. A good number of them are Museum in Motion (MiM) events. Sunburst Corvette Club General Membership Meeting Minutes - 7/7/2022

Opening

President Loren Doppelt called the meeting to order at 7:00 pm.

The greeters for tonight, filling in for Loren, are Stephanie Doppelt and Jill Gray.

Loren welcomed guests Steve Adams of Algonquin and Frank Tucci of Cary. Loren introduced new members Mark and Roxann Renn.

Loren asked for a motion to approve of the minutes from the June 2, 2022, membership meeting. Dee Rosendahl made the motion to approve the minutes, Connie Borucki seconded the motion, and motion unanimously carried.

There were no new Corvette arrivals.

Officer Reports

President – Loren Doppelt. Loren commended and thanked the newer members who have been stepping up and volunteering. There has been great participation at flash drives, approved outings and meetings. New members jump in wherever you can and participate as often as you can.

Vice President – Jill Gray. Jill had nothing to report.

Treasurer – Leo Casanas. Leo indicated that the financials are in good order, and we are in good shape before the car show.

Secretary – Sue Thorson. Sue had nothing to report.

Governor – Mike Stevens. Mike was not present.

Past President – Dee Rosendahl. Dee had nothing to report.

Standing Committee Reports

Membership – Erin Risch. Erin was not present, but Loren reported that the Club now has 152 members.

Cruise Director – Ken Monroe – Ken was not present. However, he sent slides for the upcoming cruises which Loren discussed and presented.

Sponsorship - Mike Moushey – Mike indicated that there were no sponsor renewals this month, but he highlighted all of the Club's sponsors. Mike requested the membership to continue to support all of our sponsors.

Charity - Stephanie Doppelt – Stephanie thanked everyone for bringing in school supplies for the Salvation Army back-to-school supply drive. Julie Thomas and she will be delivering the supplies next week.

NCM Ambassador – Scott Schulz. Scott was not present, but Patti presented Scott's report. The next big Museum event is September 1 through September 3. Every year around Labor Day, the Museum celebrates the opening the Museum in 1994. This year is this event's twenty-eighth anniversary and will have similar activities as the Bash. August 15 is the deadline for registration.

Sunburst CC Meeting Minutes

Secretary
Sue
Thorson

Loren indicated that there are many benefits of being an NCM member. If you wish to join, Scott will provide you the information.

Newsletter – Patti Schulz – Patti indicated that she needed the information for the next newsletter by Sunday, July 17 – the third Sunday of the month. She indicated that the information sent to her will then appear in the next month's newsletter so please have your content reflect that timing.

Webmaster – Gary Gembala. Gary had nothing to report. Loren thanked Gary for all of the work he puts into maintaining and keeping our website current.

Apparel – Connie Borucki. Connie mentioned that we have a new representative, John Langlois, at State Graphics. No appointment is now necessary to get items embroidered; however, please contact John and let him know you are coming so he can be available. Connie also mentioned that the minimum order is now \$35, and you can buddy up with friends to reach the minimum order.

Sergeant at Arms - Dave Thomas – Dave caught only one member without their nametag.

TEN MINUTE BREAK

Goodwill – Andy Pollina & Nancy Nance – Andy mentioned the birthdays and anniversaries for July. He had the July anniversary couples tell the membership how many years they are married and how each couple met. He placed the birthday members' names who were in attendance at the meeting into a hat, and drew Kristine DiGirolamo's name for the Galati's gift card.

Historian – Lynda Christopher. Lynda highlighted pictures from the Woodstock Memorial Day parade and the June 22 Cary Cruise Night.

2-Minute Tech – Jim Downing. Jim's 2-minute tech tip was how to apply for a Crystal Lake raffle permit for the September car show. He indicated that it was slightly more complicated than purchasing nuclear weapons. Jim needed for the membership to vote him to act as raffle master, and he was unanimously voted to so act.

Old Business

Loren mentioned that the Christmas in July Adventure Tour and Mystery Dinner is July 17. Sue Thorson pointed out that it is not too late to sign up. If you are attending, please have a late breakfast or early lunch, as we are scheduled to arrive at the dinner location between 3:30 and 4:00. Also, please bring your smart phone, a clipboard, and something to write with.

Sunburst 45th Anniversary Committee – Dee Rosendahl mentioned that the venue for the picnic is still in Volo on Saturday, August 20 from noon to about 5 pm, but not at the Volo Auto Museum. It will be held at the clubhouse in her subdivision. There is a signup sheet being circulated, and if you are attending, please mark down what dish to pass you will be bringing – an appetizer, salad, or dessert. Water and soda will be provided, but you can BYOB if you want something else to drink. They are still exploring where to cater the main dish from. There may be a \$20/person fee to cover the cost of the main dish.

Patti is working with Gary Gembala to coordinate payment for the Fall Color Run through the members' only section of the website. Those attending will need to make their payment by the August membership meeting.

Meeting Minutes

Secretary
Sue
Thorson

Connie Borucki spoke about the anniversary club jacket. She has order forms at the registration desk, and she needs the orders with payment by July 15. Checks should be payable to Sunburst.

Struttin UR Stuff Car Show. Loren spoke about the upcoming September car show. The committee is hoping for more than 160 cars, and they would like all members to participate. Please pass out flyers. The committee is hoping to net \$5,000 as this is one of the main fundraisers for the Club. Loren circulated a signup sheet for members to volunteer for various car show jobs. Loren also presented the anticipated schedule for setting up the show the Saturday before and for the car show itself.

New Business

Upcoming Events – 2022

7/30 – Algonquin Founders Day Parade (Rosendahl). Dee indicated that our sponsor is not paying the entry fee for the Club to participate in this parade. As a result, this event is being removed from the Club's calendar.

Loren thanked Nelo and the servers from Galati's for their service. Galati's implemented a new food ordering system which resulted in slower than usual food delivery.

8/6-8/7 – Seat of Our Pants VII, Auto Cross (Moushey & Stevens). Mike Moushey talked about autocrossing and how it helps you learn more about your car. Mike also requested volunteers to work this event and mentioned that the Club is implementing more safety practices for its workers.

Apparel raffle – Loren had all the members' names entered for this raffle, and he spun his wheel of names. JR Hottenrott's name was the first draw, but he was not in attendance. Vicki Kiernan was the second draw. She was in attendance, but was not wearing Club apparel. The pot rolls over again.

The 50/50 raffle. Kristine DiGirolamo was the lucky winner. However, she indicated that she cannot attend the August membership meeting to handle the registration desk.

Announcements

Next Board meeting is on Wednesday, July 13th – dinner at 5 pm meeting starts with a quorum or 6 p.m. at Galati's

Next Membership meeting is Thursday, August 4th – dinner @ 6 pm meeting starts at 7 pm at Galati's

Center for Independence

The mission of the Center for Independence is to help children and young adults with physical disabilities, like cerebral palsy, achieve their highest level of independence in the home, school, community and workplace. We provide Conductive Education therapy programs that develop life skills and motor function in a matter that promotes positive self-reliance, self-esteem and an "I Can" attitude. We have three convenient locations throughout the Chicagoland area. No child is ever turned away due to inability to pay!

Paws for Pure water

PAWS consists of a small group of women who's mission it is to make and sell mittens, which in turn funds wells in Africa. To date we have funded 16 wells, which come at a cost of \$7,500 each and that is an average sale of 200 mittens. Since we started 7 years ago we have made over 3,000 mittens and made \$112,500.00. All of our mittens are handmade using recycled wool or cashmere sweaters that have been donated or purchased at resale stores. We are dedicated to raising as much as we can, using 100% of our profits, and finding the most competent and economical resource to build clean water wells in deeply impoverished areas of the world.

Pioneer Center for Human Services

Pioneer Center provides three pillars of Human Services to the McHenry County community. Our Intellectual & Developmental Disability (IDD) Services programs promote independence by offering life skills, community inclusion, vocational training and residential programs, each striving to help every person live life to their fullest potential. Behavioral Health Services (BHS) is a collection of programs designed to help youth, adults and families succeed. The support ranges from therapy at our Child & Family Therapy Center, residential program to community support wherever the individual is in need. We operate a 24 hour PADS Emergency Homeless Shelter meeting people's most basic human needs of shelter, food and community support through programs that are designed to assist people experiencing homelessness.

Purrfect Cat Rescue

As animal lovers, we have dreamed of creating a non-profit 501c3 rescue organization in which we could place cats into forever homes with the utmost loving families. Our mission is simple: rescue, shelter, and re-home cats in need. Our goal is to provide a cage-free, no kill shelter environment for the kittens and cats waiting to be placed. We have the perfect building for our rescue. It has everything for our furry friends. Lots of space for cat trees and kitty beds, loads of room for them to stretch and exercise and lots of windows to watch the birds while awaiting their new forever home. An isolation room for newcomers to adapt and get medical attention, a kitten room for our littlest friends. Come for a visit and fall in love today!

Healthy Lombard

Ten community organizations joined together in the Village of Lombard in 2009 to make a difference in the health of future generations. They created Healthy Lombard, a non-profit, 501c3 initiative, to address the epidemic of childhood obesity and to promote a healthy lifestyle for everyone. In an effort to address the stress-related trauma children and their families are experiencing because of COVID, in 2020, Healthy Lombard added a Social-Emotion component to its resources for healthier living.

AUGUST 2022 TWO MINUTE TECH TIP

Jim Downing

Air Filters, Part 2

As previously mentioned, I'm lazy and had the dealer change the engine air filter on our 2017, it didn't have many miles but was at the 4 year time limit. When removed, the old filter looked normal and clean at first glance. But when Paul separated the "pleats" in the filter, every one of them had a line of fine sand down at the bottom. This was probably from our recent Colorado trip, where we drove through a couple of quick and "minor" dust storms. Hopefully, all the dust/sand stayed outside the engine.

Continuing with my laziness, I had the cabin air filter changed. When removed, it had a collection of leaves/twigs/dust bunnies like the inside of a vacuum cleaner. Definitely time for replacement.

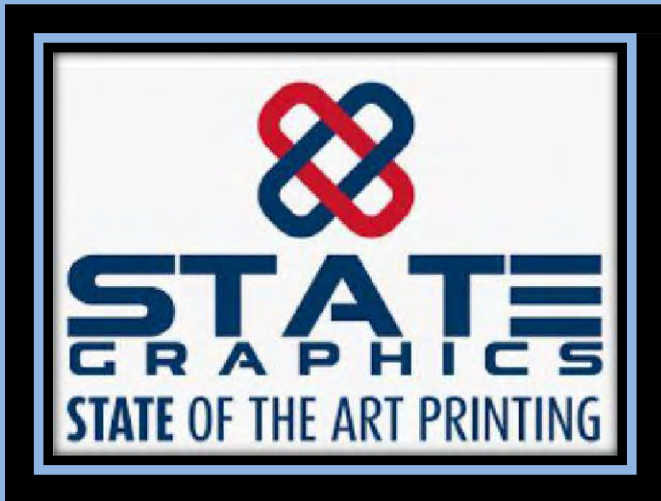

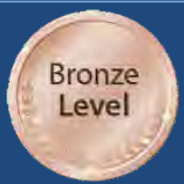

For you C8 folks, those cars also have an engine air filter and cabin air filter that need occasional replacement.

The car will show you a message when the engine air filter needs to be replaced, the cabin air filter should be changed every two years like other generations.

You can change both of those filters yourself if you wish, but both of them require some minor disassembly to get them out. YouTube is your guide.

Cheers!

Jim

Committee Chair Message Board

Hello all,

Happy 1st day of summer and I hope you're staying cool! I have several apparel updates to share with you. First, we have a new State Graphics apparel representative and his name is John Langlois and he asked that I copy him in on this communication. I have already engaged in quite a few conversations with him and have found him to be very responsive and flexible. He is very apologetic for the difficulties our club has experienced and has communicated our business relationship is important to State Graphics and he has given his word it will be smooth sailing moving forward. He is hoping to be able to attend a club meeting in the near future.

He is located in the main building near the reception area at the Lake Barrington location and has advised you do not need an appointment to drop off or pick up apparel. He just asks that you call or email to let him know you are coming and approximate time. It would be helpful if you include Sunburst Corvette Club in your subject line if you email him. Please complete the attached order form and bring the form with you. He has promised we will no longer experience long delays when dropping apparel items off for embroidery/screening and lead times moving forward will be 7-10 days.

His contact information is as follows:

Greetings,

We are pleased that you have expressed an interest in sponsoring **Sunburst Corvette Club (SBCC)** and would like to provide you more information on our club and the opportunity for a partnership as a sponsor.

Sunburst has been an active club within the Northwest Illinois Counties for over 45 years and is a 501c3 non-for-profit organization. We have a current membership of over 130 Corvette enthusiasts and are one of the largest clubs in the Northwest Region of the National Council of Corvette Clubs (NCCC).

We enjoy hosting many Corvette related events and activities throughout the year i.e.

- **Monthly Club Meetings**
- **Fun Rallye's**
- **"Struttin Ur Stuff" Car Show**
- **Cruise Events**

- **Sponsor Events**
- **Autocross Racing**
- **Cruise Nights**

We take much pride in giving back to our communities and each year we donate all of our net proceeds to local designated charities. Our funding is generated from club dues, sponsors, and funds raised at club events. Each year we donate an average of ~\$4,000 to our 5 designated charities within our local communities.

In exchange for your annual sponsorship fee, your sponsorship level business ad will be published in the award winning monthly **"Sunspots"** newsletter and also posted on our website with a link to your business website. Your business will also be highlighted at our monthly meetings on your initial sponsor month and each anniversary date you renew. You will also receive a recognition sponsorship plaque to promote your support for the club. Additionally, our membership takes pride in supporting our sponsors throughout the year.

Please feel free to review our website referenced at www.sunburstcorvetteclub.com to view the newsletter and more information on our various activities and the sponsorship pages.
