Message from The President

President
Loren
Doppelt

Season's Greetings to all of our Sunburst members!

With Thanksgiving over and the Holidays just around the corner, it is hard to believe how fast this past year went! And what a year it was for Sunburst!

I would like to recognize this year's Sunburst Board officers for the hard work they contributed throughout the year. A huge thank you goes out to Jill Gray, Leo Casanas, Sue Thorson, Mike Stevens, and Dee Rosendahl. A special sincere thank you goes out to all of the Committee members and the Sunburst members that volunteered their time, hard work, and contributions to our club. We could not have done it without you. If you are a newer member, consider volunteering or helping out in 2023.

If you have a charity or have questions about nominating a charity, please contact Stephanie Doppelt or myself, for more information. At the January Board Meeting we will be selecting the charities.

The Sunburst calendar for 2023 is already filling up with several great events. If you are planning or considering an outing, please bring or submit it to the board. The earlier you decide in 2023, the more likely you can get the date you want. Sunburst Corvette Club doesn't have to hibernate with our Corvettes this winter. If you would like to plan an outing to one of our sponsor restaurants or anywhere else, please do. If you have any questions on how to plan an event, please contact any Board member. We can always have a flash drive in our tin cars! We may be a Corvette Club, but we also love to dine out!

Stephanie and I would like to wish you a Merry Christmas, Happy Hannukah and a wonderful holiday season!

We wish you and your family health and happiness in 2023 – Lets make it one of your best years to come!

Message from The Governor

Governor
Mike
Stevens

December 2022

Happy Holidays, Sunburst Members,

That was one quick year! It seems the older I get the fast time travels. 2022 is almost in our rear view mirror and most of our Vettes have settled down for a long winter's nap. This past year has proven to be relatively successful, from the perspective of NCCC and the Midwest Region. We've seen the return to competitive events and a change in the hierarchy of the region in the "post Covid" year.

In 2022, Sunburst placed 8th out of 25 clubs, in total points awarded for participation and competition, with Mad City Vettes the regional champions. Along with winning the championship, Mad City also won the right to host the Midwest Region Awards Banquet on March 25th, in Madison Wisconsin. More details will follow in January. For individual members, Sunburst Women, **Karen Hottenrott** placed 17th with 281 points. Sunburst Men: **Mike Moushey** 28th – 196 pts, **Jim Downing** 27th – 243pts, **JR Hottenrott** 22nd – 312pts, **Mike Stevens** 19th – 342pts.

One quick follow-up on our October autocross events. Sunburst was able to add almost **\$1400** to our Club's budget from the proceeds of the event. We couldn't have done that without all of the help from our trusty volunteer core. Thank you!

The most important people, at any competitive event are the workers, who make it possible for the events to be run safely and fairly. Workers receiving awards this year (at least 21 events or three days of autocross) are **Leo Casanas, Jack Schneider, Julie Thomas, Dave Thomas and Mike Rosendahl.**

Pat and I attended the National and Regional Governors' meetings in ST. Louis this month. NCCC Governor's elected Deb Murphy, from Florida, as the next NCCC President, succeeding Dale Samuelson. Registration for the 2023 Convention, in Bowling Green, will open in February. The convention will coincide with the Corvette's 75th Anniversary. Watch for information on the NCCC website <corvettesnccc.org> . Your NCCC membership cards will arrive in the mail sometime in February.

At the regional level, Governors re-elected our officers for another term. The most pressing issue on the agenda was the region's finances. For a number of years, the region has been operating with a budget surplus from hosting a convention about 10 years ago. That surplus is gone and focus is on raising revenue, cutting costs and avoiding the dreaded "head tax". Some serious discussions and difficult decisions lie ahead, but changes are inevitable.

Pat and I hope that you and your family have the happiest of holidays. Take time to rekindle old friendship and cherish your time with family and good friends.

Mike Stevens, Governor

The Z06s will boast a V8 engine with roughly 670 horsepower and a redline of 8600 rpm, sure to bring excitement to all sports car fans.

"We pride ourselves on delivering world-class experiences to our guests," says Greg Waldon, Executive Director of the NCM Motorsports Park. "By adding the Z06s to our fleet, we're taking our services to the next level. Being the first track in the nation to offer this kind of experience is special, and we look forward to thrilling Corvette enthusiasts and car lovers from across the country."

Officer Reports

President – Loren Doppelt. Loren presented two awards: The Fickle Finger of Fate award to Mike and Priscilla Wilinski who had alternator problems on the Mini-Fall Color Run, and the National Corvette Museum's Third Place trophy for the Club's website to Gary Gembala. Hi Everyone!

As we discussed at the October meeting, we will be making the Christmas Toyland donations for Salvation Army again this year. I have attached a copy of donation suggestions, use them or use your own ideas. There will also be copies at the November meeting.

As mentioned at the meeting, donations can be brought in to the November or December meetings. We will be bringing them in the following week to Salvation Army. Salvation Army family distribution will be mid December. As a reminder, do not wrap any gifts, and do not include any gift receipts with the donations.

Again, thank you to everyone for your generous support of this project. If you have any questions about this, please let us know.

Sincerely,

Stephanie Doppelt

Center for Independence

The mission of the Center for Independence is to help children and young adults with physical disabilities, like cerebral palsy, achieve their highest level of independence in the home, school, community and workplace. We provide Conductive Education therapy programs that develop life skills and motor function in a matter that promotes positive self-reliance, self-esteem and an "I Can" attitude. We have three convenient locations throughout the Chicagoland area. No child is ever turned away due to inability to pay!

Paws for Pure water

PAWS consists of a small group of women who's mission it is to make and sell mittens, which in turn funds wells in Africa. To date we have funded 16 wells, which come at a cost of \$7,500 each and that is an average sale of 200 mittens. Since we started 7 years ago we have made over 3,000 mittens and made \$112,500.00. All of our mittens are handmade using recycled wool or cashmere sweaters that have been donated or purchased at resale stores. We are dedicated to raising as much as we can, using 100% of our profits, and finding the most competent and economical resource to build clean water wells in deeply impoverished areas of the world.

Pioneer Center for Human Services

Pioneer Center provides three pillars of Human Services to the McHenry County community. Our Intellectual & Developmental Disability (IDD) Services programs promote independence by offering life skills, community inclusion, vocational training and residential programs, each striving to help every person live life to their fullest potential. Behavioral Health Services (BHS) is a collection of programs designed to help youth, adults and families succeed. The support ranges from therapy at our Child & Family Therapy Center, residential program to community support wherever the individual is in need. We operate a 24 hour PADS Emergency Homeless Shelter meeting people's most basic human needs of shelter, food and community support through programs that are designed to assist people experiencing homelessness.

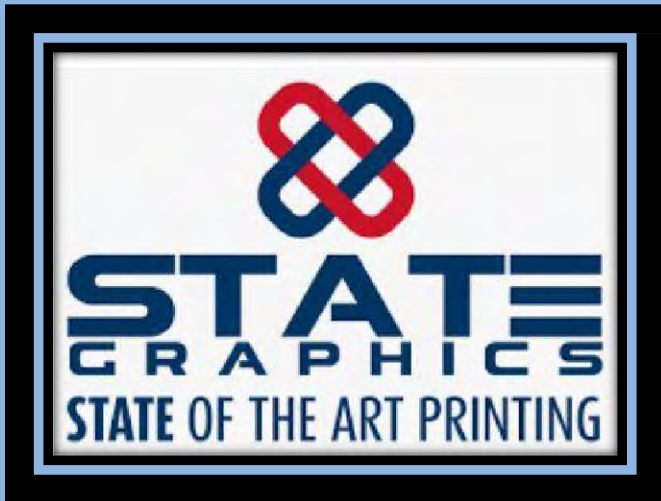

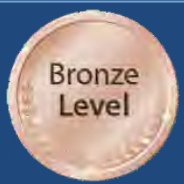

Purrfect Cat Rescue

As animal lovers, we have dreamed of creating a non-profit 501c3 rescue organization in which we could place cats into forever homes with the utmost loving families. Our mission is simple: rescue, shelter, and re-home cats in need. Our goal is to provide a cage-free, no kill shelter environment for the kittens and cats waiting to be placed. We have the perfect building for our rescue. It has everything for our furry friends. Lots of space for cat trees and kitty beds, loads of room for them to stretch and exercise and lots of windows to watch the birds while awaiting their new forever home. An isolation room for newcomers to adapt and get medical attention, a kitten room for our littlest friends. Come for a visit and fall in love today!

Healthy Lombard

Ten community organizations joined together in the Village of Lombard in 2009 to make a difference in the health of future generations. They created Healthy Lombard, a non-profit, 501c3 initiative, to address the epidemic of childhood obesity and to promote a healthy lifestyle for everyone. In an effort to address the stress-related trauma children and their families are experiencing because of COVID, in 2020, Healthy Lombard added a Social-Emotion component to its resources for healthier living.
