## September 2017

Pre-Fall greetings to you all.....I know, just the thought of it almost being Fall is amazing.

I sometimes find writing this each month a challenge, but this month I have been pondering something I feel is very special about Sunburst Corvette Club. Over the past couple of months as I talk to folks just considering joining our special club, or others who have been members or visiting other clubs or simply visited I have learned that many/most clubs seem to have a single focus. Some cater to auto crossers, some to restoration/showing cars, some are simply social, and some don't seem to do a lot really, just kind of a fellowship type of club. In our 40<sup>th</sup> year I have come to realize that we have a very special situation in that we are very balanced and have fun in a myriad of ways with our Corvettes and friends. We tour and eat a lot, we take extended trips, we autocross, we go to cruise nights and car shows, we do parades, and are involved with charities. This is a tribute to all that all of our members contribute using their energies and interests to expand our club's appeal with a variety of events. This helps attract a wide range of new members, and very healthy for longevity of a club, even after 40 years! For me when I joined some 15 years ago, we still ate a lot, did some long trips, and mostly shows, cruises, etc. Auto crossing was pretty much a minority function in the club. With that efforts of a number of members and patience over the years, this facet of our club seems to have caught a real tail wind and is now becoming a very even, well balanced part of our club. A few years back we hosted our first autocross event, and it garnered minimal return in club funds, and I wondered if was worth the effort it took to put on such an event. Well I must say, my thoughts appear to have been wrong, in that this year, hosting (76) drivers from across the country proved how well run and viable this part of our club now is. I am also getting this "kind of feeling" that our club is being noticed on a much more regional level.....we are no longer a little Corvette club outside of Chicago, in a little town of Crystal Lake, but one that is gaining respect. I have been hearing things like "The Sunburst Car Show is one of the best run in the region" .....that the "Sunburst Autocross is one of the best run in the region" As I chatted with two Impala SS owners over lunch, who attended our autocross and attend autocrosses almost weekly, they also told me that ours is the best run event of any they have been to all summer, of any kind! That is a true tribute to the efforts of all involved!

With the above said, I want to reiterate that new ideas and new energy is what keeps a club fresh and vibrant. As we head into Fall it is the time to start considering your involvement! Our yearly election will be coming up as the year ends, so if you are on the fence, please ponder stepping up and joining your Board or volunteer as a committee chair. At our next Membership Meeting I will outline/overview positions which will be opening up, and as always an election allows for challenge if any member feels the need for change! Remember- this is not my club, but it is OUR club and it takes all of our efforts to make this a great place to be, hopefully for another 40 years when GM introduces the new nuclear powered, interplanetary Corvette, complete with a flux capacitor!!!!

Even though the season is moving towards Fall, there are still of loads of great events coming up, the Sunburst Annual Car Show, this year open to all makes and models, promising to be better than ever with the day prior offering Corvettes being shown with quilts! We have the 40<sup>th</sup> Anniversary Picnic, A German Style Parade, a trip to see East coast colors in Vermont and a charity event at St. Judes....again something for all!!!!!!

Don't miss out; don't let the Corvette season pass you by! Remember- If you don't do it this year, you'll be one year older when you do! That should be your call to action.....If not now, when? Do it now!

Save the Wave!!!!

**It just seems inconceivable that September is upon us. Was only yesterday that we pulled our car from storage, looking forward to the season. And we've done a lot, with Sunburst, drive-outs with friends and on our own. Don't give up yet, there are many fall events still to come.**

**Significant among them, Struttin' Ur Stuff, our own car show, on September 17<sup>th</sup>. Your last chance to pre-register as a Sunburst Member and save \$5 off the published price is the September Membership Meeting, September 7. As of this writing 20 cars have pre-registered.**

**Sunburst Club Picnic will be held on September 9<sup>th</sup>. \$10 per person, bring a dish or dessert to pass and BYOB if you'd like some spirits. Complete details elsewhere in Sunspots.**

**And, Vettes Viewing Vermont, the final activity commemorating our 40<sup>th</sup> Anniversary leaves September 30<sup>th</sup>.**

**Lastly, for 2018, Wright Wride is scheduled in May. Three cars have committed, several are considering. If you are thinking about going to Pennsylvania to see Frank Lloyd Wright's masterpiece, Falling Water, let Marilyn and me know so we can begin looking for lodging to accommodate everyone. No reservation fee is due until December.**

# Sunburst Events

The weather cooperated as Sunburst Corvette Club hosted our 3<sup>rd</sup> annual Auto-Cross event, Flying by the seat of our Pants. Held in the parking lot of McHenry County College, Crystal Lake, IL, we saw record numbers of participants, as well as volunteers. Assisted by volunteers from Mad City Vettes (Madison, WI) and Northern Illinois Corvette Club, we had 73 drivers on Saturday and 55 on Sunday.

## Flying by the Seat of Our Pants 3<sup>rd</sup> Annual Auto-Cross Event August 5<sup>th</sup> - 6<sup>th</sup>

The lengthier course on Saturday made for a long day, and many of us made our way to Crystal Lake Rib House for adult beverages and food afterward. Sunday, the course was shortened, which helped to speed things up. Dinner followed cleanup at The Village Squire, which was attended by 15 volunteers and 2 guests. It is safe to say, that although we were all extremely tired, we all felt most rewarded by the compliments we received for how well the event was run, with many saying they were looking forward to next year.

We even picked up a new member, George Kimble from Tennessee. George is the Regional Membership Director of the NCCC Southeast Region. It is his mission to join every club in his region, and apparently a few others as well.

## Sunburst Fun Rallye and Poker Run August 12<sup>th</sup>

This year the Sunburst Corvette Club combined the annual Fun Rallye and Poker Run on the same date – a definite departure from past practice. The day was absolutely beautiful and the 15 cars participating in the 4 events had a great time. The winners of the two Fun Rallyes are listed above. First place winners received C7 bar ware. Second Place winners received C7 travel mugs and the third place winners received Corvette coasters. The best “Virgins” of the group each received a bottle of Wollersheim Winery Sunburst Red Wine.

The Poker Run was a 5 card show down hand and cash prizes were awarded to the top three hands for the Driver and the Navigator. Cards were drawn at the registration table and the winning hands were announced at our dinner destination, Crandall's in Hebron, IL.

A big round of applause to all those who helped put together this 4 event day. The Thomas's organized Rallye 1 and the Thorsons organized Rallye 2 and both Poker Runs. The Downings and Mumfords helped with registration and teching cars. The Rosendahl's, Douglas's , Thomas's and Tom Marks managed the mid-way point and Ron Gliot and Dee Rosendahl handled the scoring. Without all that help it would not have been possible to run these events.

## WRIGHT WRIDE 2018

Have you heard of Fallingwater? It's a magnificent home designed by Frank Lloyd Wright in a stunning setting astride a waterfall. Built in the 1930's, it is located about 60 miles SE of Pittsburgh PA. For those interested in architecture or FLW, it should be a must see. Marilyn and I toured Fallingwater in 2011 and have decided to make a return visit. We think it might interest other Sunburst members.

### Planning Information:

Here are some basics. Links with more details are supplied below. Distance is 550+ each way. Four days/3 nights.

**Saturday, May 5, 2018** – Assemble, then depart after breakfast. Drive 150 miles to South Bend IN. The Studebaker Museum (cost: \$8, \$6.50 over 60) <http://studebakermuseum.org/> or the Campus at the University of Notre Dame <http://map.nd.edu/> are proposed sites to visit. Lodging and Dining TBD

**Sunday, May 6, 2018** - Drive approximately 400 miles and overnight near Fallingwater. Lodging and dining venues TBD.

**Monday, May 7, 2018** – Tour Fallingwater beginning at 8:30. These will be the In-Depth Tours, approximately 2-hours in length. Interior photography will be permitted. Tickets are \$80 per person and tour groups (we may require more than one) are limited to 10 people each. Abundant springtime flora adds to the experience.

### Consideration:

*Walking and Stair Climbing are involved for this tour. It is a ¼ mile walk between the Visitor Center and house. There are approximately 100 stairs throughout the multi-level house tour. No facilities or seating available in the home.*

*For any visitors with limited mobility, a shuttle is available to/from the Visitor Center and house.*

### Add-On Option:

*Kentuck Knob -Nearby is another FLW home designed in the 50's and of his Usonian style. Tickets are \$25 and tours are approximately 40 minutes in length. This is a second FLW home tour which could be added Monday afternoon.*

### Monday, May 7, 2018 - (Continued)

Lunch at Fallingwater Café in the Visitor Center. Drive approximately 150 miles toward home to a hotel - maybe around Akron OH.

Or, drive approximately 300 miles to Findlay, OH and schedule a tour of Dietsch Bros. <http://www.dietschs.com/> – our 40th Anniversary Banquet candy purveyor. Lodging and restaurant TBD

### Tuesday, May 8, 2018

Return home, approximately 400 miles from Akron. Or, tour the candy factory and drive approximately 325 miles from Findlay, OH.

Tour and Ticket information about Fallingwater: [www.fallingwater.org](http://www.fallingwater.org)

Tour and Ticket information about Kentuck Knob: [www.kentuckknob.com](http://www.kentuckknob.com)

Even if you only think you might join us we would like to know soon to begin searching for lodging and dining. Tickets for 2018 go on sale mid-December and sell out far in advance. Will require payment by then to guarantee the house tour.

## 2017 Charitable Organizations

Honor Flight Chicago was founded to recognize Chicago-land's World War II and Korean War veterans by flying them all-expense-paid to Washington DC for a day of honor, remembrance and celebration. Currently we are flying WWII and Korean War veterans, but we are accepting applications from Vietnam War veterans for future flights. After we have reached out to all WWII and Korean War veterans who are interested, we will begin flying Vietnam veterans to Washington DC.

The Build Team was born out of a shared vision to give back to the community. What started as a brief discussion on a Sunday afternoon, led five business and professional leaders to come together to help local families in financial need with essential home repairs. The Build Team was launched in 2014 with the commitment of efficiently and effectively utilizing its resources and donations to meet those charitable objectives for families in Northwest Cook and surrounding counties in Illinois. The Board of Directors approved our first project in June. In August, the IRS approved our tax exempt status as a 501(c)(3) charitable organization.

Miraculous Multiples Mothers of Twins Club (MMMOTC) is a non-profit support and social group for mothers (or expectant mothers) of multiples (twins, triplets, or more) in the McHenry County area. Membership is open to all mothers of multiples (natural or adoptive).

Pioneer Center for Human Services is a 501(c)3, non-profit charitable organization that provides direct services to thousands of individuals each year. The organization also provides education and outreach to schools and community organizations reaching over 10,000 additional individuals.

**Crystal Lake Corps**

The Salvation Army is an International, Evangelical Christian Church dedicated to providing individuals worldwide with spiritual, physical, social and emotional support. Our organization is made up of thousands of officers, soldiers, adherents, employees, volunteers and other individuals all working together to bring the Gospel of Jesus Christ to all people, as well as struggling to meet the physical needs of those less fortunate.

The Salvation Army is a nonprofit, tax-exempt charitable organization under Section 501(c)(3) of the Internal Revenue Code. Donations are tax-deductible as allowed by law.

MY EVENT

Sunburst Corvette Club continues to raise funds to support the St. Jude Children's Research Hospital. You can help us reach our fundraising goal for the kids of St. Jude who are battling cancer and other life-threatening diseases.

How your donation helps:

- Thanks to donors like you families never receive a bill from St. Jude for treatment, travel, housing or food -- because all a family should worry about is helping their child live

# Two Minute Tech Tips

Jim  
Downing

Last month I suggested plugging your battery tender into a common light timer and setting it to operate only 4 hours per day. That should be enough to keep your battery charged up but not enough to “cook” your battery if the tender gets stuck when charging. Most tenders are very low amperage and the timer should be fine, but if you are using a more powerful tender then it could draw too much power for the timer to handle. Check the labels to be sure the timer can handle your tender.

If you have a C7 with the nice ventilated seats, the fans come on strong but automatically turn themselves down after a short time. This is, unfortunately, normal operation. Bummer.

Jim

# Kids & Corvettes

## Gembala Grandkids

Cathy and Gary's Granddaughter, Hailey, at 9 months, is looking forward to her first road trip in a Vette.

Cathy and Gary's Grandson, Troy, loves the big vehicles. Just waiting for his first Corvette.

## Poetry for the Road by George Kimble Middle Aged and Crazy

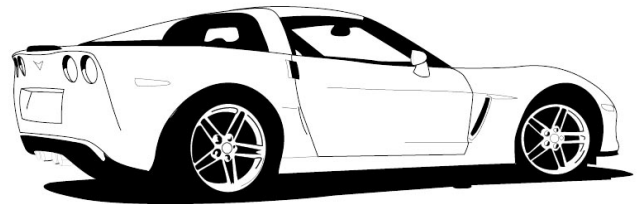

At middle age I must admit  
Life is filled with its struggles  
Often times I thought I'd quit  
But some things in life are worth the trouble

Went down town and bought a Vette  
I don't know if that is good  
I didn't do it to win a bet  
I just did it, 'cause I could

My dear wife opines I'm out of control  
I tell her, "It's her big boy's toy"  
"To me the Vettes V-8 is visceral"  
My family is grown, what is left to enjoy

Each night when I go to bed  
I dream of tomorrow's thrills  
My Doctor just shakes with dread  
I told him I don't need his pills

Now tonight I may be dead  
They won't call me lazy  
But on the stone over my head  
They'll inscribe Middle Aged and Crazy

This contemporary breakfast and lunch café opened its doors in February of 2008. You'll find plenty of breakfast basics here, but we're also well-known for our decadent twists on the regulars... like stuffed French toast, blueberry bliss cakes and berry explosion waffles. Savory options include and avocado-topped breakfast quesadilla and potato skins filled with scramble eggs, ham, peppers and cheddar cheese.

Brunch Café is perfect place to start your Corvette day. There's plenty of parking and the service and food are both exceptional!
