Message from The President

President
Loren

Happy October Sunburst Members!

As I write this month's newsletter on the day of the autumn equinox, the temperature in Chicago dropped 20 degrees from yesterday. It is a reminder that fall is approaching and it is one of the most beautiful times of the year to take a ride in your Corvette! For those members that signed up for the Fall Color Run, we will all be looking forward to October 1-2 and hope the colors will be out in full beauty!

I am excited to say we had a very successful Struttin' Ur Stuff Car show on September 18 th . The weather was gorgeous and the rain held off the entire show. We had 112 cars and hundreds of car enthusiasts and their families enjoying the day. We had Joe Cicero as our DJ who played great music throughout the show. We had all of our 5 2022 Charities represented and even a Cat Mascot showed up! Thank you Mike Stevens, Mike Rosendahl and to ALL of the Sunburst volunteers that helped set up, run, and tear down the show. I think we set the tents up in record time! A special thanks goes out to Dan Hoyland, Ed Moutan and the rest of the Martin Chevrolet Team for supporting our club and the use of their dealership for the show.

We also had some great news from the Corvette Museums' 28 th anniversary celebration that Scott (and Patti) Schulz attended. Our Sunburst Corvette Club website won 3 rd place as one of the best Corvette club websites. A big thank you and congratulations goes out to Gary Gembala for all his hard work and dedication.

There are a couple of important events happening in the next few months. One is Membership Renewal. As was mentioned in our last Membership meeting our fees remain unchanged (\$49 Single, \$67 Couple). The renewal deadline is November 1st. This deadline allows for coordination of funds to be submitted timely to NCCC by their required deadline. You may certainly mail your checks made out to Sunburst Corvette Club to Erin Risch, our Membership Chairperson. However, I strongly encourage you to give the online renewal method through PayPal a try. It is super easy, just a few clicks and you are done! No stamps, no postal delays, no hassle.

We are moving towards the election of the 2023 Board of Directors. Nominations will be done at the October meeting, the slate will be announced at the November Meeting, and voting will be at the December Meeting. If you would like to be nominated for a board position or have any suggestions who might be a good addition to the board, please let the nomination committee know. (The nomination committee will be chosen at the October membership meeting). Please contact me or any board member with questions. This is a great opportunity to get involved in the inner workings of our Club. Have a wonderful and safe Halloween! As you can imagine Halloween is my favorite holiday and Orange is my favorite color!

Governor
Mike
Stevens

October, 2022

Greeting Sunburst Members,

Days are getting a lot shorter, temperatures have dropped and the trees are starting to show all of the autumn glory. The Midwest Region competition season comes to a screeching halt by the end of this month. There are rallies in Loves Park, IL on the 2nd, and rallies in Wentzville, MO and Delafield, WI on the 8th.

The season wraps up with a final autocross weekend at McHenry County College on October 15 & 16, hosted by Northern Illinois Corvette Club, Northern Rays, Windy City and Sunburst. Once again, we will need the help of club members to make this a safe and successful weekend. Corner workers will be needed on both Saturday and Sunday for morning and afternoon shifts. As a bonus, we will be having **FUN RUNS**, after the competition has been completed on both days. This is a great opportunity to drive the autocross course, without the pressure of being timed – **JUST FOR FUN**. Of course, if you want the thrill of trying out your competitive spirit you can race with Mike, Jim, Karen, JR and Moush. Remember Sunburst has three “loaner” helmets for use.

Pat and I attended the regional and national NCCC Governors’ meetings in St. Louis on Sept 9 & 10. There were a number of proposed rule changes that were discussed for the 2024 rule book. They included:

- Increasing the number of sanctioned events from 10 to 14 for every NCCC Club.
- Prohibiting EV’s (electric vehicles) from competing in speed events.
- Increasing the standards for obtaining a high speed license.
- Changing the language on event flyer to reflect rule book changes
- Changing the national recognition program to be more inclusive for car show and rally participants.

The 2020 NCCC convention organizers presented a final report and were proud to announce a \$20,000 profit for the event held in Atlantic City. The 2023 Convention will be held in Bowling Green from June 24 thru the 30th and coincide with the 70th anniversary of the Corvette. The 2024 Convention will be held in Joplin, MO.

The offices of president and treasurer are up for election in November and both are contested. Dave Heinemann, of Windy City Vettes, is running against Deb Murphy from Florida for the office of president. Dave was the NCCC president prior to Dale Samuelson’s election. We wish him luck.

Finally, it looks like Mad City Vettes will be the new Midwest Region Champions for 2022. With that title comes the responsibility of hosting the annual awards banquet. Right now, it looks like the banquet will be held on March 25th in Madison, WI. Mark your calendars and wait for more details to be released in the near future.

National Corvette Museum Announced Annual Club Awards at 28th Anniversary Celebration

During the Ambassador Meeting at this year's National Corvette Museum 28th Anniversary Celebration held September 1st – 3rd, I had the pleasure of accepting Sunburst Corvette Clubs 3rd Place Award for the clubs website.

To recognize the work Corvette Clubs perform to support and promote the Museum, the National Corvette Museum presents clubs that meet certain criteria awards.

There are four categories that Corvette Clubs can submit award entries for. Each year, Corvette Clubs are invited to submit their newsletters, social media, websites, and NCM parking lot banner for a judged competition. To date Sunburst Corvette Club has not participated in the parking lot banner award but we have participated in the other three categories: news letter; website; and social media.

The materials are critiqued not only on content and design, but other criteria that include: Visual (design and layout), Overall Appeal, Neatness, Legibility, Information (useful content), and National Corvette Museum promotion.

With over 300 domestic, at large, and international Corvette clubs registered with the National Corvette Museum this is quite a prestigious honor to win one of the annual club awards.

In late 2019, a social media group was formed who's membership includes myself, Patti Schulz, Jill Gray, Mike Stevens and is led by Gary Gembala. Using the National Corvette Museum

competition score sheet the social media group evaluated our website to the score sheet criteria, identified areas for improvement and prioritized changes. Through the efforts of this group and Gary's continued diligent efforts to implement the identified web site changes our website has been brought up to a standard to be recognized as one of the top 3 by the National Corvette Museum. Special thanks to Gary and the entire team for their efforts that led to this award.

2022 "Struttin' Ur Stuff" Car Show

The annual Sunburst Car Show took place on September 18th at Martin Chevrolet in Crystal Lake. Even though the forecast was "iffy" the weather turned out perfectly – nice breeze, partly cloudy, and slightly warm. One of the highlights of the show was the DJ – Joe Cicero from Star 105 radio. He kept the music rolling and spectators entertained.

Despite the gloomy forecast over 112 cars were on display. They include all makes and models of cars and there were definitely some great rides there. 34 trophies, including a Dealer's and President's Choice Award, were distributed to the lucky winners. Actually, every car was a winner that day.

Participants and spectators didn't go hungry either. Coffee, specialty drinks and sandwiches were provided by MJ's Coffee Bar, and Grub-n-Go provided some excellent Puerto Rican dishes. Tropical Chill was there to take the edge off of the afternoon's heat.

It was great to see all of our designated charities at the show. So many people stopped by their displays and talked with their staff. Their presence gave participants and spectators a good view of the beneficiaries of the show.

Most impressive, were the number of Sunburst members who rolled up their sleeves, helped out and showed their Vettes. KUDOS to you!!!

New Business

January Pizza Party – Looking for volunteer to host this event. Since there is no membership meeting in January, typically the Club has a pizza party instead.

Upcoming Events - 2022

9/18 – Struttin' UR Stuff Car Show (Doppelt, Stevens & Rosendahl) – see notes above.

2-Minute Tech Tip – Jim Downing deferred to Gary Gembala. Gary mentioned that the Club has replaced using CB radios with GMRS radios when traveling because GMRS radios with a mounted antenna have about a ten-mile range depending on the SWR rating on the antenna. With hand-held GMRS radios the range depends on the model, but typically one or two miles. Please contact Gary if you are interested in purchasing a GMRS radio so he can give you more details. At one time, the Club did get a discounted rate on these radios. Eric Kiernan also mentioned that he has made seat belt clips for C7s. Contact Eric if you are interested.

Raffles

Apparel raffle – Loren has entered all the club members’ names, including new members’ names in his wheel of names and spun the wheel. Dave Thomas was wearing club apparel and won the pot.

50/50 drawing - Janet Elston was the lucky winner and will be the greeter for the October membership meeting.

Center for Independence

The mission of the Center for Independence is to help children and young adults with physical disabilities, like cerebral palsy, achieve their highest level of independence in the home, school, community and workplace. We provide Conductive Education therapy programs that develop life skills and motor function in a matter that promotes positive self-reliance, self-esteem and an "I Can" attitude. We have three convenient locations throughout the Chicagoland area. No child is ever turned away due to inability to pay!

Paws for Pure water

PAWS consists of a small group of women who's mission it is to make and sell mittens, which in turn funds wells in Africa. To date we have funded 16 wells, which come at a cost of \$7,500 each and that is an average sale of 200 mittens. Since we started 7 years ago we have made over 3,000 mittens and made \$112,500.00. All of our mittens are handmade using recycled wool or cashmere sweaters that have been donated or purchased at resale stores. We are dedicated to raising as much as we can, using 100% of our profits, and finding the most competent and economical resource to build clean water wells in deeply impoverished areas of the world.

Pioneer Center for Human Services

Pioneer Center provides three pillars of Human Services to the McHenry County community. Our Intellectual & Developmental Disability (IDD) Services programs promote independence by offering life skills, community inclusion, vocational training and residential programs, each striving to help every person live life to their fullest potential. Behavioral Health Services (BHS) is a collection of programs designed to help youth, adults and families succeed. The support ranges from therapy at our Child & Family Therapy Center, residential program to community support wherever the individual is in need. We operate a 24 hour PADS Emergency Homeless Shelter meeting people's most basic human needs of shelter, food and community support through programs that are designed to assist people experiencing homelessness.

Purrfect Cat Rescue

As animal lovers, we have dreamed of creating a non-profit 501c3 rescue organization in which we could place cats into forever homes with the utmost loving families. Our mission is simple: rescue, shelter, and re-home cats in need. Our goal is to provide a cage-free, no kill shelter environment for the kittens and cats waiting to be placed. We have the perfect building for our rescue. It has everything for our furry friends. Lots of space for cat trees and kitty beds, loads of room for them to stretch and exercise and lots of windows to watch the birds while awaiting their new forever home. An isolation room for newcomers to adapt and get medical attention, a kitten room for our littlest friends. Come for a visit and fall in love today!

Healthy Lombard

Ten community organizations joined together in the Village of Lombard in 2009 to make a difference in the health of future generations. They created Healthy Lombard, a non-profit, 501c3 initiative, to address the epidemic of childhood obesity and to promote a healthy lifestyle for everyone. In an effort to address the stress-related trauma children and their families are experiencing because of COVID, in 2020, Healthy Lombard added a Social-Emotion component to its resources for healthier living.

Sunbursts' First Newsletter

MAY, 1978

This is Sunburst Corvette Club's first attempt at an official newsletter. Due to a limited amount of time to compile articles and a staff of zero on the publication committee (Joan Dietrich is putting this newsletter together as secretary, but only temporarily), this issue is a shortened version of what we hope to print each month.

In future issues we hope to include monthly minutes of the business meeting, N.C.C.C.'s Governor's Report, a full-page calendar of coming events, club activity flyers, a swap page (if you have any Corvette parts to sell or are looking for anything, this will be the place to print it), an explanation of our points system along with current point standings (perhaps every other month), and possibly a page of advertising, including Albert Peter Chevrolet.

SUNBURST CORVETTE CLUB was a year old on March 23, 1978. Its first meeting was held on March 23, 1977, in the basement of the Crystal Lake Police Department. 13 people were present, and all but 2 of them went on to become charter members. As of this date, 9 of those who were present at the first meeting are S.C.C. members. They are: Tom and Jean Adams, Phil and Dort Dammeir, Tom and Joan Dietrich, Charlie Smolarek, and Chris and Pam Kohlman. Gary and Nancy Klein were hard-working members until they sold their Corvette last fall.

A brief run-down of last year's activities:

May 22 - Car Wash and picnic
June 12 - Rex Mays Corvette Parade (WCC event)
July 10 - "Love Thy Navigator" Rally (Northern Rays event)
July 30 - Founders Day parade
August 18 - Bowling
September ? - Roller skating (ha-ha!)
October ? - Jacobs High School Homecoming Parade
December 4 - Corvette show at Crystal Point Mall
December 30 - Christmas party
March 11 - Progressive Dinner
March 12 --Chicago Corvette Club Rally

Upcoming events this spring include:

May 4 - Business meeting - International Ports
May 6 - Corvette show - Elgin Mall
May 21 - Corvette show - Crystal Point Mall
June 4 - Car wash - place to be named
July 2 - Sunburst Corvette Club's first Rally!

PROGRESSIVE DINNER

At 7:00 PM on Saturday, March 11, 15 members of Sunburst Corvette Club converged on the home of Darryl and Barb Booth to start an evening of eating, talking, eating, drinking and more eating! The Booths' were hosts of the hors d'oeuvre course, the first stop of S.C.C.'s 1st Annual Progressive Dinner. Everyone loved Dort Dammeir's shrimp dip and Barb's delicious meatballs, and the her-ring went fast, too. Darryl made sure everyone saw the trophies on display from last year's Northern Rays' "Love Thy Navigator" Rally, and Barb got credit for winning the bigger trophy of the two.

When there was nothing left to munch on, we all proceeded to Tom and Joan Dietrichs' for tossed salad and jello salads. Clackers and Archie (big cat and little cat) attracted a lot of attention. Dort suggested that we make up a cookbook of dishes served at all the stops and make sure all members get a copy of it -- anyone want to volunteer to collect recipes?

Soon the group was on its way to Marv and Val Carbys' home. Two caravans were seen headed for McCullom Lake with one consisting of three Corvettes and a Chevelle with a bumper sticker reading "I'd Rather Be Driving My Corvette." Said caravan took the long route and arrived at Carbys' just in time for the main course, a delicious ham from Gary Christenberry's Frontier Meat Market, plus Pam Kohlman's tasty bean dish, Arlene Smolarek's scalloped potatoes and sweet potatoes and Val Carby's baked beans and pickles. Young Steve Carby was proud of the wrestling award he had won that day.

Finally, the group ventured into the fog for dessert at Bill and Lyn Turners' home. The cozy fireplace felt great, but only a few hardy club members had room left to try the cupcakes, cheese cake and lemon delight. Larry Spooner and Carol Hansen finally arrived using the fog as an excuse for being lost. The Turners' little daughter, cute as a button, entertained the group until the evening drew to an end a little after midnight.

There were lots of comments such as, "It was sure a lot of fun -- let's do this again!" And we all knew the evening was a success because even Phil and Dort were speaking to each other before it was over! So, we're all looking forward to S.C.C.'s 2nd Annual Progressive Dinner -- maybe by the same time next year we all will have lost a few pounds so we can start over again!

GETTING TO KNOW YOU!

Meet CHRIS AND PAM KOHLMAN

All of you probably know our current S.C.C. president, Chris Kohlman, and his wife Pam. But you may be wondering what makes Chris and Pam tick. This month we'll shed some light on the Kohlmans' personal lives.

Chris and Pam currently reside at 749 Sussex Lane, Crystal Lake, although right now they are in the middle of having a new home built 4 miles south of Woodstock off Dean Street in Willow Wood Estates. They're experiencing the frustrations of watching a new home being built with all the delays and other headaches that are always involved in such a project.

The Kohlmans' 2-year-old miniature dachshund, Muffin, has become a big hit with anyone who has served on an S.C.C. committee that has had a get-together at the Kohlmans' home. She's very personable and always has a toy for you to toss to her. Since the Blindman's Bust committee meeting, Muffin is really hung-up on balloons.

Chris and Pam presently own a 1976 "Classic White" T-top. Ask Chris about the 1963 red convertible he used to own, and you're likely to hear a moan. Chris sold the Vette in 1969 for the absolute top buck, at the time, of \$1,800. He's the first to admit it was a big mistake. The Kohlmans have also owned a new 1973 red Convertible, so you can see they love Corvettes and hate to be without one.

Chris is a charter member of S.C.C. and served as its first vice president (1977). He was elected 1978 president, and he's always volunteering to chair any project the club undertakes. His latest accomplishment was Blindman's Bust. Chris was in charge of this event, S.C.C.'s first N.C.C.C. sanctioned event, and he did a super job of seeing that everything ran smoothly.

When they're working, Chris is a system programmer for Bank Americard and Pam is a mortgage secretary for Great American Funding. In their spare time Chris enjoys working on his car and stereo equipment. Pam likes to hook rugs and is into other arts and crafts.

Chris says his favorite event at this time is a rally because he enjoys getting lost! He's very enthusiastic about Sunburst Corvette Club and thinks things are picking up rapidly. He's happy about increased member participation and says he's not losing so much sleep now since so many members are pitching in and working on events. Chris feels that newcomers need to know they can join right in and help and feel welcome because "there are no cliques. "The value of our club lies in membership participation and everyone getting to know each other. Making friends you wouldn't have otherwise met is what it's all about."

SUNBURST CORVETTE CLUB Sponsorship Opportunity

Greetings,

We are pleased that you have expressed an interest in sponsoring **Sunburst Corvette Club (SBCC)** and would like to provide you more information on our club and the opportunity for a partnership as a sponsor.

Sunburst has been an active club within the Northwest Illinois Counties for over 45 years and is a 501c3 non-for-profit organization. We have a current membership of over 130 Corvette enthusiasts and are one of the largest clubs in the Northwest Region of the National Council of Corvette Clubs (NCCC).

We enjoy hosting many Corvette related events and activities throughout the year i.e.

- **Monthly Club Meetings**
- **Fun Rallye's**
- **"Struttin Ur Stuff" Car Show**
- **Cruise Events**
- **Parades**
- **Sponsor Events**
- **Autocross Racing**
- **Cruise Nights**
- **Competitions at local / regional level**

We take much pride in giving back to our communities and each year we donate all of our net proceeds to local designated charities. Our funding is generated from club dues, sponsors, and funds raised at club events. Each year we donate an average of ~\$4,000 to our 5 designated charities within our local communities.

In exchange for your annual sponsorship fee, your sponsorship level business ad will be published in the award winning monthly **"Sunspots"** newsletter and also posted on our website with a link to your business website. Your business will also be highlighted at our monthly meetings on your initial sponsor month and each anniversary date you renew. You will also receive a recognition sponsorship plaque to promote your support for the club. Additionally, our membership takes pride in supporting our sponsors throughout the year.

Please feel free to review our website referenced at www.sunburstcorvetteclub.com to view the newsletter and more information on our various activities and the sponsorship pages.

Our monthly membership meeting occurs on the first Thursday of every month (except January) at Galati's Hideaway located at:

800 Feinberg Ct.
Cary, IL 60013

The meeting starts at 7:00 PM but members arrive earlier to eat and socialize beforehand.

Potential members are always welcome to see what we're all about!
