November **2022**

**45<sup>th</sup> Anniversary Mini Fall Color Run**  
**Taken at Road America, Elkhart Lake, WI**

SUNSPOTS is a monthly publication of the  
Sunburst Corvette Club  
PO Box 433, Crystal Lake, IL 60039

**Please Remember,**  
**All articles, pictures, ads, & flyers are due**  
**the 3<sup>rd</sup> Sunday of the month.**

# SUNBURST CORVETTE CLUB

## MEETINGS

**\*1st Thursday at 7pm of every month  
except January at Galati's Hideaway  
800 Feinberg Gt. Cary, IL  
847-516-3663**

*\*Come at 6pm to eat together if you like!*

## MISSION

**Engage:** With a fun inviting social club for fellowship and participation through meetings, activities and events to encourage continued support of Corvette culture and ownership.

**Participate:** In a forum of education and learning for the enjoyment, driving experience, restoration and sharing of Corvette history.

**Share:** In collaboration of club members and community partners through volunteerism and charitable support to provide impactful philanthropic giving to benefit the communities we interact with.

## VISION

To provide an engaging and lasting influence with whatever we do, whomever we meet, and wherever we go as a club for the continued preservation of the Corvette legacy.

## VALUES

Exhibiting the utmost integrity while having fun through education and philanthropy with diverse fellowship and collaboration including club members and community partnerships.

# Message from The President

President  
Loren  
Doppelt

Happy Fall Sunbursters!

Well, it is that time of year and Fall will definitely be here before we know it. For some of us, that means tucking our Corvettes away to hibernate over the winter months. For others who drive it year-round, they continue to enjoy all they can until spring! With some of the warmest October days, it has been a special time that many Sunburst Members were able to go on some beautiful color rides.

At the November Membership Meeting, the slate of candidates for the 2020 Board will be presented. Voting will take place at the December 1st membership meeting. Also, the Charity Committee will talk about nominating charities for Sunburst to support in 2020.

Any member can nominate a charity by submitting a brief written description of the charity to Stephanie Doppelt by the December Meeting. After that the Board will vet the charities and make recommendations to the membership at the February membership meeting. Finally, don't forget to renew your Sunburst membership no later than the November membership meeting. November is also Thanksgiving time. We all have so much for which to be thankful for - our family, friends, and of course, the ability to own and drive our Corvettes. My hope is that each and every one of you have a wonderful Thanksgiving!

We have one last Sunburst event for the year sponsored by Scott, Patti, Mike, and Dee. "Can't Drive – start Wine-ing" will be on Tuesday, November 29th. Don't forget to sign up for this fun event. For our December meeting we will have some surprises, so be sure not to miss it! Also don't forget for the apparel raffle, you need to wear an UGLY SWEATER to win!

Loren

# Message from The Governor

Governor  
Mike  
Stevens

November 2022

Greetings Sunburst Members,

The Midwest Region of the National Council of Corvettes (NCCC) has completed its 2022 competition season in style. The final event was a two day autocross event, which Sunburst co-hosted with Northern Illinois Corvette Club, Northern Rays, Windy City Vettes. "It's a Wrap" (a fitting name for the last event) was held at McHenry County College. The event was one of the best attended autocrosses in the region this year, with 52 drivers on Saturday and 48 drivers on Sunday. Sunburst racers included **Karen Hottenrott, JR Hottenrott, Mike Moushey, Jim Downing and Mike Stevens.**

Events like this are not possible without the support of Club members, like yourself. Sunburst lead the pack with the help of **Jack Schneider, Leo Casanas, Tim DiGiralamo, Doug Mussard, Dave & Julie Thomas, Scott & Patti Schulz, Jeff Tidaback, Mike Rosendahl, Sean Conley and Paul Lampier.** Kudos to this group of Sunburst Volunteers. A Big Shout Out goes to **Mike Moushey,** who helped with course setup, coordinated the volunteers and hauled all of the racing gear from the storage facility to the college.

Speaking of points! By the time of the November membership meeting we should have a final tallying of competition points for the Midwest Region. It looks like a new Club champion will be crowned this year, ending the long reign of Windy City Vettes. Mad City Vettes appears to be the new Club champion. I'll have the final results at the November membership meeting.

On a related note, we set used the Club's sound system at the autocross events and it was a huge hit. Announcements were loud and clear and playlist was a big hit. There were spectator and racers dancing during day. We also received a request to use our sound system, for a couple of social events, at the 2023 NCCC convention in Bowling Green. Sounds like a good excuse to go to the convention.

Pat and I will be traveling to St. Louis, in early November, for the regional and national governors' meeting. At the regional level we will be nailing down the 2023 competition calendar, electing new officers, and discussing the Regional Awards Banquet in March. At the national level, we will electing new officers and addressing a number of rules changes for 2024.

Pat and I hope you have a great Halloween and Thanksgiving. There's still some driving time ahead of us, especially if you have all season tires on your Vette. Enjoy the fall.

Mike Stevens, Governor  
Sunburst Corvette Club

## *Can't Drive Start Wine-ing / Wine Tasting School*

### **What:**

- **Tenuta Torciano Winery / Tuscany's Premier Winery - Italian Wine School**
  - Tasting of 10 Tenuta Torciano wines, oils and vinegars
  - Lessons on how their wine is made in Tuscany
  - Etiquette of wine tasting, how to hold the glass and swirl the wine
  - Why certain foods are paired with certain wines
- **Dinner**
  - Bruschetta, Charcuterie Plate, Salad, Chieken Parmesan and Spinach Rotolo
- **Cost**
  - \$38.50 / persons (covers cost of food and incidentals)
- **Ability to purchase Tenuta Torciano wine, oils and vinegars**
- **Event Limited to 50 people**

### **Where:**

- Galati's Hideaway

### **When:**

- Tuesday November 29<sup>th</sup> at 6PM
- *Registration closes November 11<sup>th</sup>*

**We have 30 people signed up so far.  
Come join your friends for a great evening!!!**

Callaway Corvettes Exhibit “35 Years of Making Fast *Faster*” is Open at the National Corvette Museum

For thirty-five years, the most powerful and distinctive Corvettes in the world have been created by a team of dedicated engineers located in Old Lyme, CT, Temecula, CA, and Leingarten, Germany – they are the cars known as Callaway Corvettes, and their creed is “Powerfully Engineered Automobiles.”

Known for their engineering and fine attention to detail in the craftsmanship of their products, Callaway has been on the top of the high-performance field for over four decades. Originating in the garage of his Old Lyme home in 1977, Reeves Callaway began with modifications to BMW 3 Series cars. Out of that work came his first turbo system that received a rave report when reviewed by Car & Driver Magazine. With his first project deemed a success, Callaway continued to develop other products, often with major vehicle manufacturers, such as Alfa Romeo, constructing the twin turbo system for their GTV6.

In the early 80s, GM was looking at high performance powertrain options for the Corvette, including turbocharging and multi-valve technologies. GM was aware of Callaway’s reputation and the cars it had produced. In fact, they had taken a Callaway Alfa Twin Turbo and examined the work closely. After GM’s own single and twin turbo V6 and V8 projects had run their course, Dave McLellan, then Chief Engineer for Corvette, gave the nod to Callaway, authorizing development of a prototype. The resulting powertrain option was introduced in June 1986 under Regular Production Option (RPO) B2K. With 345 hp and 465 lb. ft of torque, the Callaway Twin Turbo engine option was engineered to be the ultimate Corvette package, producing tremendous power while retaining its emissions controls and a warranty.

With Chevrolet’s blessing, the Callaway Twin Turbo was officially launched, available through select Chevrolet dealers. It continues to hold the distinction of being the only engine package for the Corvette produced outside of GM to hold a RPO code. Produced between 1987 and 1991, 510 of these special

Corvettes were built in coupe, convertible, and at the close of production, in Speedster form. By ordering a Corvette through the dealer, checking the box for RPO B2K triggered a series of events, including special equipment and handling under SEO Z5G.

Throughout production, evolutionary changes were made. In 1988, power levels increased to 382 and torque to 565 lb-ft. A new option for the 1989 B2K was the handsome AeroBody™ designed by Paul Deutschman and was first seen on the Callaway Sledgehammer Corvette, which achieved 254.76 MPH, a world-record that would stand for over 25 years. For 1990, horsepower rose to 390 and torque output was 562 lb-ft. 1991 was the final year for this engine package and power was up again, to 403 hp and 575 lb-ft of torque. In 1991, the breathtaking Speedster model was revealed; 10 Series I Speedsters were built, each a unique color combination.

In 1992, GM introduced the second-generation LT1 small block V8. Given inherent challenges to turbocharge, the Callaway SuperNatural™ Corvettes were born. Initially called the CL1 (LT1) and CR1 (LT5), they designated the chassis from which they were built and were offered with a host of options: AeroBody™, special paint colors, full leather interiors, special wheels, brakes, and exhaust systems. Available between 1992 and 1996, the series evolved from SuperNatural™400, designating 400 horsepower, it grew to become the 425, 435, 440, and finally the 450 model for LT1 (and LT4) based cars. 475 or 490 hp being available for LT5-based cars. Callaway expanded the SuperNatural™ line to Camaro and Impala models. Callaway also constructed three special vehicles featuring bespoke twin-turbocharged LT5's: Two Super Speedsters and a ZR1-based coupe.

In 2004, Callaway Cars elevated the performance of Corvettes with their SuperNatural™ offering for the newly introduced C6 model. Initially offering naturally aspirated packages, SuperNatural™ 490 and 550 (horsepower) packages were available through select Callaway Dealer. In 2006, Callaway returned to positive manifold pressure on Corvettes, supercharging the C6 with impressive results.

With the introduction of the LS3 engine in 2008, power climbed to 580 on the Callaway Corvette and later to 606 with the advent of the TVS2300-series SuperCharged cars. For those who sought even more power, Callaway supercharged the venerable LS7 in the Z06 Corvette, as part of the SC652 model, delivering tremendous power in an extremely well-mannered package.

For 2012, the 25<sup>th</sup> Anniversary of working with the Corvette, Callaway was re-issued their original RPO

(B2K) for use on a limited run of Corvettes.

Featuring special paint and equipment from Chevrolet, twenty-six identical Corvettes (25 production and a pilot car) were drop-shipped to Callaway facilities for final conversion under this program. All were Cyber Gray, and as a coupe or convertible, automatic or manual, they delivered 620 supercharged horsepower and featured

a full list of Callaway equipment.

In 2014, GM launched the 7<sup>th</sup> Generation of Corvette and Callaway was ready with their new GenThree Triple-Cooled supercharger system, which raised horsepower to 627 on the Stingray and featured a through-hood design, allowing convective heat transfer from cooler ambient airflow. The following year, the C7 Z06 debuted, and Callaway applied their supercharger (32% larger than the o.e. unit) resulting in 757 hp/777 lb-ft.

With the introduction of the C8 Stingray, Callaway was again issued a RPO (PCY) to commemorate the milestone anniversary for the 35<sup>th</sup> year of working with Corvette. Specific Callaway content is included in this anniversary model with Corvette order documents, build sheets and other paperwork identifying this significant milestone. Only 35 of these vehicles were built, available through authorized Callaway dealers now.

Callaway Corvettes: 35 Years of Making Fast *Faster* is [NOW OPEN](#) at the National Corvette Museum until late February 2023.

For information on these “Powerfully Engineered Automobiles”, visit Callaway Cars online at [callawaycars.com](http://callawaycars.com), and check out [callawayownersgroup.com](http://callawayownersgroup.com) for owner’s resources and more.

## NCM Corvette Raffle

The National Corvette Museum conducts a series of raffles each year as a way to raise funding for the day-to-day operations of the Museum. The raffle fundraisers are a tremendous help to the Museum and a large part of our planning and daily operation funds.

All raffle winners will also enjoy the benefits and excitement of taking delivery of their new Corvette at the Museum as part of the “R8C Museum Delivery” experience. A VIP tour of the Museum and Corvette Assembly Plant (if available), one-year individual membership to the Museum, hands-on training/instruction by a NCM delivery team member, program decal and a wall plaque are all part of the Museum Delivery experience that is available exclusively through the Museum. R8C deliveries are viewed world-wide via the Museum’s webcams.

Winner/Purchaser must be 18 years old with a valid driver’s license.

Licensed by the Kentucky Department of Charitable Gaming – License Number ORG0000854

### Watch Drawings LIVE!

You can watch raffle drawings live on the [Museum webcams](#), or on NCM [Facebook page](#). The webcam varies by drawing but is typically on one of the Delivery cameras. No sound is available on NCM webcams. On Facebook, the drawing’s live stream will pop up on the page approximately 1 minute or less before the drawing.

# 45<sup>th</sup> Anniversary Mini Fall Color Run

The Sunburst 45<sup>th</sup> Anniversary Mini Fall Color Run to Elkhart Lake, Wi through the Kettle Moraine was a hit. We went to one of our sponsors for breakfast, Brunch Café in McHenry and left in groups of 5 or 6 to go to the Wisconsin Auto Museum. We went to lunch in Hartford and then on to our destination on Elkhart Lake. After check in we had a 30 car sunset cruise of 4 laps around the Road America track. The group gathered around and helped one member who needed a part for his Corvette! We all ate dinner together at a great place on the Lake where members enjoyed each others company, some good food and drinks inside and outside! After dinner some groups sat around a campfire. Sunday morning some members went back to Road America to take a tour of the buildings and property and get some information about the history of the track and racing! All got to spend the rest of the day their way. Here are some pictures.....

## Sunburst Corvette Club General Membership Meeting Minutes October 6, 2022

### Opening

President Loren Doppelt called the meeting to order at 6:59 pm.

The greeters for tonight are Janet and Ray Elston.

Loren welcomed guest Jeff Block from Bradenton, Florida, and new members: Chad and Aimee Spark and Lee Waller.

Loren asked for a motion to approve the minutes from the September 1, 2022, Membership Meeting. Mark Renn made the motion, Paul Lampier seconded the motion, and the motion unanimously carried.

There were no new Corvette Arrivals.

### Officer Reports

President – Loren Doppelt – Loren said the Club has had a tremendous summer.

Loren read a note from Mike and Priscilla Wilinski who were not in attendance. They would have received the traveling Fickle Finger of Fate Award due to their car having alternator issues on the Mini Fall Color Run.

Loren indicated that the Club has a new supply of Club business cards for members to pass out. He also has Sunburst pins available.

Loren also mentioned that the October Board meeting was moved to October 19, and he is looking for a volunteer to take the minutes for that one meeting as the Secretary will not be in attendance that evening.

Vice President – Jill Gray – Jill had nothing to report.

Treasurer – Leo Casanas – Leo reported that the financials are in good order. Leo presented a slide with a new budget line item that was discussed at the September 14 Board meeting for accruing \$1,000 from this year's funds to be utilized for the Club's 50<sup>th</sup> Anniversary celebration. Loren requested the members vote on this budget change, and this accrual was unanimously carried.

Secretary – Sue Thorson – Sue had nothing to report.

Governor – Mike Stevens – Mike said he and Pat attended the NCCC National Quarterly Governors' meeting. For this year, there are four Club members that acquired two hundred competition points: Mike Moushey, Jim Downing, Matt Waters, and Mike Stevens.

Mike mentioned that there are twenty-seven clubs in the NCCC Midwest Region, and Sunburst is ranked ninth. The Club may place as high as fifth after the autocross events on October 15 and October 16. So far there are forty-three drivers signed up for that event. Sunburst partners with Northern Illinois Corvette Club, Windy City, and Northern Rays.

In 2024, NCCC is changing the number of sanctions each club will be able to utilize. Sunburst is the fifth largest club of the 27 clubs in the Midwest Regions.

# Sunburst CC Meeting Minutes

Secretary  
Sue  
Thorson

Past President – Dee Rosendahl. Dee was not present, but Mike Rosendahl filled in for her. Mike mentioned that the ballots for officer nominations are on the table. Dee, Connie Borucki, and Patti Schulz will be calling the nominees to see if they are willing to run for office. The only restriction on filling the Board offices is that the person being nominated for President has to be in the Club for two years before he or she can run for President. Mike needs the ballots before the end of the meeting tonight.

## Standing Committee Reports

Membership – Erin Risch – Erin reported that the Club now has 167 members and that there is only one more month for membership renewal. After November 5, NCCC imposes a additional \$10 penalty. Please renew either via check or through the Members Only section on the website. She also will be sending out a new roster.

Cruise Director – Ken Monroe – Ken was not present. Loren presented the slides Ken sent with the remaining cruise events for this season.

Sponsorship - Mike Moushey - Mike indicated that the Club has thirteen or fourteen sponsors which are recognized on our website and in our newsletter. Please patronize them when we can. This month's renewing sponsors are C21 Anna Muridian and Rally Insurance Group.

Charity - Stephanie Doppelt – Stephanie told us that all five of our charities were present at the Car Show. If you have any old sweaters that are at least sixty percent wool, please bring them for Paws for Clean Water, who makes handmade mittens from them. Also, the Club will be hosting the Salvation Army toy drive again this year.

NCM Ambassador – Scott Schulz. Scott presented slides for the 7<sup>th</sup> National Corvette Caravan Labor Day weekend, August 29 to August 31, 2024. The Caravan is hosted every five years. Sunburst is in the North Central Region, which caravan will be starting at Chula Vista in the Wisconsin Dells. Scott and Mike Rosendahl will be planning a group trip in conjunction with the Caravan and will update the Club sometime in 2023. Scott also has information on joining the National Corvette Museum

Newsletter – Patti Schulz - Patti mentioned that newsletter submittals are due October 23.

Webmaster – Gary Gembala – Gary was not present. Gary has updated the website with Club historical logos and has put countless hours into the website.

At the last NCM Ambassador's meeting, the Club was awarded a third place trophy for its website. This is significant because there are over one hundred fifty clubs that are part of the NCM.

Apparel – Connie Borucki – Connie mentioned that we have a new representative, Mike Lagrimas, at State Graphics. Please fill out your order form and call or email Mike Lagrimas before going to State Graphics with your clothing items.

Sergeant at Arms - Dave Thomas – Amazingly, there were no nametag scofflaws.

Jill took the picture of the members for our Facebook page.

TEN MINUTE BREAK

# Sunburst CC Meeting Minutes

Secretary  
Sue  
Thorson

Mike Rosendahl mentioned that there were complaints about members not getting their food quickly. Galati's and Nello go above and beyond to accommodate the Club. Please be patient as Galati's also has other customers in the restaurant as well.

Goodwill – Andy Pollina & Nancy Nance. Paul Lampier won the Galati's gift card for his birthday.

Historian – Lynda Christopher – Lynda had pictures from the car show. Please send pictures to [Sunburst.corvette.photos@gmail.com](mailto:Sunburst.corvette.photos@gmail.com). Next month Lynda will demonstrate how to upload photos from your phone.

2-Minute Tech – Jim Downing - Jim spoke about Top Flight Gas.

## Old Business

Struttin UR Stuff Car Show – Loren thanked all the volunteers and members who participated. Mike Stevens indicated that we did not meet our goal for attendees, probably due to the weather forecast, but we did have one hundred twenty-two cars in the show. We had a real DJ from Star 105.5 as well as three food vendors. The Club awarded thirty-four trophies.

## Upcoming Events - 2022

10/15 - 10/16 – "It's a Wrap" Auto Cross (Moushey & Stevens). The autocross is at McHenry County College. Mike and Mike need volunteers to help run the event, corner workers in particular. Both Saturday and Sunday after the event, members can drive fun runs on the course to get a taste of what autocrossing is like.

January – Pizza Party (Lampiers) – more info to come.

Christmas Party 2023 – Loren mentioned that we need to form a committee for this. Pam Tidabeck and Connie Borucki volunteered.

## Raffles

Apparel raffle – Loren has entered all the Club members' names, including new members' names, in his wheel of names and spun the wheel. Ed Armatys was not at the meeting, so the pot rolls over.

50/50 drawing – Jill Gray was the lucky winner and will be the greeter at the November meeting.

## Announcements

Next Board meeting is on Wednesday, October 19th – dinner at 5 pm meeting starts with a quorum or 6 p.m. at Galati's

Next Membership meeting is Thursday, November 3rd – dinner @ 6 pm meeting starts at 7 pm at Galati's.

Loren asked for a motion to adjourn. Leo Casanas made the motion, Jim Downing seconded the motion, and the meeting was adjourned at 8:21 pm.

Respectfully submitted,

Sue Thorson

Hi Everyone!

As we discussed at the October meeting, we will be making the Christmas Toyland donations for Salvation Army again this year. I have attached a copy of donation suggestions, use them or use your own ideas. There will also be copies at the November meeting.

As mentioned at the meeting, donations can be brought in to the November or December meetings. We will be bringing them in the following week to Salvation Army. Salvation Army family distribution will be mid December. As a reminder, do not wrap any gifts, and do not include any gift receipts with the donations.

Again, thank you to everyone for your generous support of this project. If you have any questions about this, please let us know.

Sincerely,

Stephanie Doppelt

Julie Thomas

## Center for Independence

The mission of the Center for Independence is to help children and young adults with physical disabilities, like cerebral palsy, achieve their highest level of independence in the home, school, community and workplace. We provide Conductive Education therapy programs that develop life skills and motor function in a matter that promotes positive self-reliance, self-esteem and an "I Can" attitude. We have three convenient locations throughout the Chicagoland area. No child is ever turned away due to inability to pay!

## Paws for Pure water

PAWS consists of a small group of women who's mission it is to make and sell mittens, which in turn funds wells in Africa. To date we have funded 16 wells, which come at a cost of \$7,500 each and that is an average sale of 200 mittens. Since we started 7 years ago we have made over 3,000 mittens and made \$112,500.00. All of our mittens are handmade using recycled wool or cashmere sweaters that have been donated or purchased at resale stores. We are dedicated to raising as much as we can, using 100% of our profits, and finding the most competent and economical resource to build clean water wells in deeply impoverished areas of the world.

## Pioneer Center for Human Services

Pioneer Center provides three pillars of Human Services to the McHenry County community. Our Intellectual & Developmental Disability (IDD) Services programs promote independence by offering life skills, community inclusion, vocational training and residential programs, each striving to help every person live life to their fullest potential. Behavioral Health Services (BHS) is a collection of programs designed to help youth, adults and families succeed. The support ranges from therapy at our Child & Family Therapy Center, residential program to community support wherever the individual is in need. We operate a 24 hour PADS Emergency Homeless Shelter meeting people's most basic human needs of shelter, food and community support through programs that are designed to assist people experiencing homelessness.

## **Purrfect Cat Rescue**

As animal lovers, we have dreamed of creating a non-profit 501c3 rescue organization in which we could place cats into forever homes with the utmost loving families. Our mission is simple: rescue, shelter, and re-home cats in need. Our goal is to provide a cage-free, no kill shelter environment for the kittens and cats waiting to be placed. We have the perfect building for our rescue. It has everything for our furry friends. Lots of space for cat trees and kitty beds, loads of room for them to stretch and exercise and lots of windows to watch the birds while awaiting their new forever home. An isolation room for newcomers to adapt and get medical attention, a kitten room for our littlest friends. Come for a visit and fall in love today!

## **Healthy Lombard**

Ten community organizations joined together in the Village of Lombard in 2009 to make a difference in the health of future generations. They created Healthy Lombard, a non-profit, 501c3 initiative, to address the epidemic of childhood obesity and to promote a healthy lifestyle for everyone. In an effort to address the stress-related trauma children and their families are experiencing because of COVID, in 2020, Healthy Lombard added a Social-Emotion component to its resources for healthier living.

November 2022 TWO MINUTE TECH TIP

Jim Downing

## Top Tier Gasoline, Revisited

As previously mentioned, Top Tier Gasoline is a standard for the effectiveness of the detergents in gasolines to keep your engine from slowly developing harmful deposits inside. It is more important for engines that use Port Injection systems (C4-C6), because it helps keep the intake valves clean. But even Direction Injection engines (C7-C8) benefit from Top Tier because it also helps reduce combustion chamber deposits. GM, BMW, Ford, Honda, and others recommend Top Tier gas for all their gasoline engines, they decided that the EPA minimum detergent specification was not good enough. Top Tier is not affected by octane, that's a different specification.

If a gasoline company wants Top Tier certification for their gas, they must run a test engine for a certain period of time, then disassemble it and measure the deposits inside. If it passes, they must certify that all their grades of fuel at all their stations will meet the standard. They pay a small fee (by Big Oil standards) and get added to the Top Tier list. The list is at "toptiergas.com" and changes occasionally.

Most, but not all, major brands are on the Top Tier list; and some of the smaller brands you might not expect, expect are on it. Costco and Citgo, for example.

For many years, BP/Amoco gasolines were not on the Top Tier list but were generally considered to be good quality. In about 2013, they were added to the list and that removed any doubt.

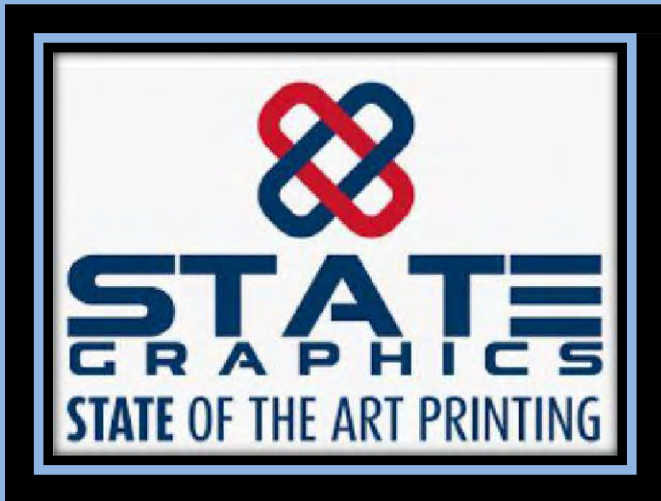

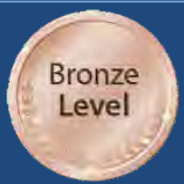

But then in early 2022, they suddenly dropped off the list. BP gave no explanation and their website specifically states that all three of their gasoline grades meet Top Tier standards, with their Ultimate (Premium) being even more effective.

One oil company executive (from another company) says that the fee to be listed is not enough to matter and they must be using saving money by using cheaper detergent additives. Others say the move was prompted by the hassle of doing the tests with any small change in the formula, and making sure that all the stations were meeting the Top Tier spec in these times of shortages and supply chain problems.

My technique is to use several different brands that meet Top Tier specs, and not always run one brand forever. I still include BP in my personal list, I'll let you know if I learn more.

Cheers!

*Jim*

## Sunburst Corvette Club Apparel

State Graphics is the official embroidery company for our Sunburst Corvette Club. (Formerly KC Printing, Inc.) They are located near the intersection of NW Highway and Pepper Road in Lake Barrington.

Members can either purchase clothing directly from them OR bring in your own items to have our new Sunburst Corvette Club logo embroidered. Members have put our logo on shirts, jackets, chairs, etc.

State Graphics does all their work on premise and is a full-service printer too. You can go into their store or work with them on the phone. Our contact is Mike Lagrimas at [MikeL@stategraphics.com](mailto:MikeL@stategraphics.com) and you can reach him at his work number at 847-215-2500, extension 1023.

Check out their website for more information, [www.stategraphics.com](http://www.stategraphics.com)

If you have any questions, please contact our Apparel Coordinator, Connie Borucki [apparel@sunburstcorvetteclub.com](mailto:apparel@sunburstcorvetteclub.com) or 815-403-5864.

State Graphics  
22292 N. Pepper Road, Unit A  
Lake Barrington, IL 60010  
(847) 215-2500  
[www.stategraphics.com](http://www.stategraphics.com)

Another addition of Sunspots has hit the streets. Thank you to all who contributed to this addition! I encourage everyone to send any articles/pictures/trivia/etc. that you think our club members might enjoy. I apologize for any mistakes or omissions in the newsletter. When you post pictures from an event, please add a short narrative about the event. Email me, Patti Schulz, with your info at [newsletter@sunburstcorvetteclub.com](mailto:newsletter@sunburstcorvetteclub.com).

Corvette Classifieds is offered to members of Sunburst Corvette Club at no charge. Non-members are invited to advertise in Sunspots at a charge of \$25 per half page for 2 months. If you wish to advertise in this publication of SCC, please send all information to [newsletter@sunburstcorvetteclub.com](mailto:newsletter@sunburstcorvetteclub.com).

# Committee Chair Message Board

Hello all,

Happy 1st day of summer and I hope you're staying cool! I have several apparel updates to share with you. First, we have a new State Graphics apparel representative and his name is **Mike Lagrimas** [mikel@stategraphics.com](mailto:mikel@stategraphics.com). **His phone number is 847-215-2500.**

He is located in the main building near the reception area at the Lake Barrington location and has advised you do not need an appointment to drop off or pick up apparel. He just asks that you call or email to let him know you are coming and approximate time. It would be helpful if you include Sunburst Corvette Club in your subject line if you email him. Please complete the attached order form and bring the form with you. He has promised we will no longer experience long delays when dropping apparel items off for embroidery/screening and lead times moving forward will be 7-10 days.

His contact information is as follows:

Mike Lagrimas  
847-215-2500 Extension 1023  
Mikel@stategraphics.com  
22292 N. Pepper Road  
Unit C  
Lake Barrington, IL 60010

Embroidery pricing per item through June 30th remains as follows:

\$7.95/logo  
\$1.00/to add the name

Minimum order of \$25.00

Please be advised there will be a change to our pricing structure effective July 1st and it will be as follows:

4 pieces	\$9.95 each
5 pieces	\$8.00 each
6 pieces	\$6.84 each
7-12 pieces	\$5.87 each
13-24 pieces	\$4.90 each

The cost to add your name will remain at \$1.00 each apparel item.

Minimum order of \$35.00

Please note I will be sending out a separate email within the next day or two regarding ordering the 45th anniversary jacket so please be watching for that.

Please don't hesitate to contact me with any questions you may have.

Thank you,  
**Connie Borucki**

# Committee Chair Message Board

State Graphics is now requiring a \$25 minimum order.

\*\*\*\*\* Please use this order form whenever placing an order. \*\*\*\*\*

If you have any questions, please contact our Apparel Coordinator,  
Connie Borucki [apparel@sunburstcorvetteclub.com](mailto:apparel@sunburstcorvetteclub.com) or 815-403-5864.

# Sunburst CC Sponsorship Info

## SUNBURST CORVETTE CLUB Sponsorship Opportunity

### Greetings,

We are pleased that you have expressed an interest in sponsoring **Sunburst Corvette Club (SBCC)** and would like to provide you more information on our club and the opportunity for a partnership as a sponsor.

Sunburst has been an active club within the Northwest Illinois Counties for over 45 years and is a 501c3 non-for-profit organization. We have a current membership of over 130 Corvette enthusiasts and are one of the largest clubs in the Northwest Region of the National Council of Corvette Clubs (NCCC).

We enjoy hosting many Corvette related events and activities throughout the year i.e.

- **Monthly Club Meetings**
- **Fun Rallye's**
- **"Struttin Ur Stuff" Car Show**
- **Cruise Events**
- **Parades**
- **Sponsor Events**
- **Autocross Racing**
- **Cruise Nights**
- **Competitions at local / regional level**

We take much pride in giving back to our communities and each year we donate all of our net proceeds to local designated charities. Our funding is generated from club dues, sponsors, and funds raised at club events. Each year we donate an average of ~\$4,000 to our 5 designated charities within our local communities.

In exchange for your annual sponsorship fee, your sponsorship level business ad will be published in the award winning monthly **"Sunspots"** newsletter and also posted on our website with a link to your business website. Your business will also be highlighted at our monthly meetings on your initial sponsor month and each anniversary date you renew. You will also receive a recognition sponsorship plaque to promote your support for the club. Additionally, our membership takes pride in supporting our sponsors throughout the year.

Please feel free to review our website referenced at [www.sunburstcorvetteclub.com](http://www.sunburstcorvetteclub.com) to view the newsletter and more information on our various activities and the sponsorship pages.

The screenshot shows a website page with a header image of a car on a road. Below it is a photo of a car show with many cars parked on a grassy area. To the right of the photo is text: "Our monthly membership meeting occurs on the first Thursday of every month (except January) at Galati's Hideaway located at: 800 Feinberg Ct. Cary, IL 60013. The meeting starts at 7:00 PM but members arrive earlier to eat and socialize beforehand. Potential members are always welcome to see what we're all about!" At the bottom of the page are several logos including the NCCC logo, NCM Events logo, Sunburst Corvette Club logo, and logos for AAA, AAAA, and AAAA.
